The following is a Company Announcement issued by Mediterranean Investments Holding p.l.c. pursuant to the Listing Authority's Rules.

Mediterranean Investment Holdings p.l.c. would like to re-assure its bondholders that the Group is monitoring the developments of the COVID-19 pandemic.

MIH has implemented a number of measures both at its head office in Malta and particularly at the Palm City residences in Janzour, Libya to ensure the safety and wellbeing of its staff and its tenants.

The Company continues to monitor the situation and has put several measures in place geared to mitigate costs and ensuring business continuity.

Given the unprecedented developments, although to date the pandemic has not affected the Company's business in Libya, it is still too early to predict the extent of the pandemic's effect on future business.
